

Bei unserer Lagerneugestaltung sind jede Menge Rahmen aufgetaucht, die ich irgendwann für Ausstellungen, Testhängungen oder spontane Ideen bestellt habe. Schön sind sie alle, nur eben Einzelstücke, die nie zu einer größeren Serie gepasst haben. Zu schade, um weiter Staub zu sammeln.

Also habe ich zwölf Arbeiten ausgesucht, die perfekt zu ihnen passen. Für die nächsten zwei Wochen gibt es diese kleinen Zufallsbegegnungen deshalb im Shop. Die Preise liegen zwischen 130 und 270 Euro und damit deutlich unter dem, was meine gerahmten Arbeiten normalerweise kosten.

Wenn ihr schon länger mit einer Arbeit von mir geliebäugelt habt, ist das vermutlich der günstigste Moment. Und ich bekomme wieder Platz im Atelier, also so eine win-win-Situation.

While reorganizing my storage, I came across a whole stack of frames that I had ordered over the years for exhibitions, test installations, or spontaneous ideas. They're all beautiful, but each one is a one-off that never quite fit into an existing series. Too nice to keep collecting dust. So I picked twelve works that fit them perfectly. For the next two weeks, these happy little pairings are available in my shop. Prices range from €130 to €270, which is significantly lower than what my framed works usually cost.

If you've been thinking about getting one of my works for a while, this is probably the most affordable opportunity. And I get a bit more space back in my studio.

Dear Christo,
hi on day 58 living
in your ~~store~~
store tent. I finished
all of the cat food
- finally!
Next time I would
~~put~~ everything
different. Instead
of the pet shop I would
pile your red store with
all the candy and
human food. Of course
how a prepper
wasn't prepared.
But you're always smarter

words. I hope
you don't
mind
me losing
the tent
but I always
thought of
your store
as a
bit campy.
